*Quality, Affordable Football for All*

## **10th Grade Team Lists 2021 (Players born in 2011)**

Please note that these team lists are made up only from registered players of Nomads United AFC and that they are subject to change. If you are not registered but still want to play, please register yourself as soon as possible – [REGISTRATIONS | NomadsAFC](#)

### **Coaches:**

As a community club we rely on volunteer coaches (often parents) to help coach the teams. We provide these coaches with free coach education workshop opportunities throughout the season. We also provide a Nomads coaches handbook which contains a large number of training exercises relevant to their particular age group of players, as well as other useful bits of information around managing / coaching a team. If your team has a coach TBC, please consider putting your hand up to help coach.

### **Manager/Referee:**

Each team will ideally also have volunteers to help manage and referee on game days. In particular, being a referee should not be the coach's responsibility. If you are available to help, please let your teams coach know.

### **Key Dates & Information:**

Season Starts – Saturday 1<sup>st</sup> May

Season Ends – End of Term Three (before October School holidays)

Team Photos – Sunday 23<sup>rd</sup> May

Training times – These will be determined by your coach. Your coach will be in contact with you in the coming weeks.

### **Nomads PLUS+:**

Players that are seeking extra training sessions per week with qualified and full-time coaches should sign up for our Nomads PLUS+ programme. More information can be found on our website here: [NOMADS PLUS \(7-10\) | NomadsAFC](#)
